

Sun Bites

Our Sun Bites are hand-crafted in Huron, Ohio, without artificial sweeteners or preservatives using all-natural ingredients; simply put, you can rely on a great tasting and effective edible option made to the same standards you've come to expect from the Firelands Scientific brand.

Sun Bites are infused with CO2-extracted oil made from our sungrown cannabis. Find Sun Bites now, and take a bite of sunshine!

Gluten-Free | 100% Vegan
